

Setting up Application Environment

Create IBM Cloud Account

Date	11 November 2022
Team ID	PNT2022TMID47207
Project Name	Project - Personal Expense Tracker Application

The screenshot displays the IBM Cloud Dashboard. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's name (Prem Kashyap Chilakamarthi's A...). Below this, the main section is titled 'Dashboard' and includes options to 'Edit dashboard', 'Upgrade account', and 'Create resource'. The dashboard is divided into several sections: 'For you' (featuring a 'Build' section with a selection of easy starter tutorials and services, and a 'Select an option' dropdown), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The 'Recent support cases' section shows a summary of support cases and a link to 'View all'. The 'Planned maintenance' section shows a summary of scheduled maintenance events and a link to 'View all'. The 'IBM Cloud status' section shows a world map and a 'No issues' status. At the bottom, there's a 'Usage' section with a 'View usage' link and a 'User access' section with a 'Manage users' link.
